711 W. Main Street

WE PAY POSTAGE OR FREIGHT ON VEGETABLE SEEDS at prices given herein to any freight station or post office, our option, in Pennsylvania, when remittance is enclosed with order. Asparagus, Rhubarb, Horse Radish Roots, Onion Sets, F. O. B. Lansdale.

All prices are subject to change, unsold and confirmation.

We reserve the right to limit quantities.

Our terms are strictly cash.

DISCLAIMER—F. P. Cassel's Son gives no warranty, express or implied, as to the description, quality, productiveness or any other matter of any Seeds, Bulbs, Roots or Plants he sells and will not be responsible for the crop.

1942 SPRING PRICE LIST—Vegetable and Farm Seeds CASSEL'S SEED STORE

711 West Main Street Founded 1881 LANSDALE, PA.

By all indications there will not be a plentiful supply of many kinds of seeds for 1942. We have provided stocks to take care of our usual requirements, however, should there be an unusual demand, it may cause higher market values and in some cases, the supply in our country of certain varieties may be exhausted.

Therefore, we recommend that you order your usual seed requirements early in the season this year—the earlier the better, in order to be sure of your supplies.

Prices now, at the date of this issue, are what we believe to be very reasonable, considering the qualities we are offering. Changing conditions may require us to issue a new Price List a little later in the season.
